PROUD TO BE, PROUD TO BELONG

## This week

**Owl class have 99.20% attendance this is a brilliant achievement. Well done!**

Paddington bear will go to Owl class. Keep up the good work Owl class!  
You are super stars!

**Thank you for your generous contribution towards Save the children's Christmas Jumper Day fund we raised £192.10.**

In reception this week the children are learning their number bonds to 5.

In English they are writing character descriptions of animals. In music they have been exploring musical instruments. In PSHE they are learning how to set goals.

In year one this week in science, they learnt about snails. Did you know that Garden snails can reach a top speed of 45 metres per hour which makes them one of the slowest creatures on the planet! In Geography, they are learning about the seven continents and each week they visit one country in every continent. This week they visited Australia. Did you know that boomerangs were first used by Aboriginal Australians to hunt with!

In Year two this week Fox and Squirrel class went to Roe Green Village, they really found it interesting to see the cottages and the quiet walk around it.

Badger class and Hedgehog class will go later on in the term.

In maths the children are learning about different units of measure e.g., centimetre's, meters, litres, millilitres. Look out for the task in their homework books.

In science the children are learning about animal habitats and making use of our outdoor environment.
