

ROE GREEN INFANT SCHOOL

PUPIL PREMIUM POLICY

School Vision:

We welcome, value and share the cultures, traditions and languages of all our families. We provide consistently high standards of teaching and learning and expect all children to do well. We teach children to be responsible, independent and proud of themselves and to show respect for everyone in our community.

Roe Green Infants is a place for everyone to succeed and thrive with inclusion at its heart.

The targeted and strategic use of pupil premium will support us in achieving our vision.

In the financial year 2022-2023 we received £35,190 of Pupil Premium funding.
Total budget for 2023-2024 is £21,800.

Aims:

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school.

Legislation and guidance:

This policy is based on the [pupil premium conditions of grant guidance \(2017-18\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

In addition, this policy refers to the DfE's information on [what maintained schools must publish online](#).

Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

How we will make decisions regarding the use of Pupil Premium:

In making decisions on the use of the Pupil Premium we will:

- Ensure that Pupil Premium funding allocated to our school is used solely for its intended purpose. We also recognise that the Direct Schools Grant (DSG) has an element of deprivation funding included in it to address the attainment of our disadvantaged pupils.
 - Use the latest evidence based research¹ on proven strategies which work to narrow the attainment gaps and adapt these as necessary to meet the needs of our pupils.
 - Be transparent in our reporting of how we have used the Pupil Premium, so that our parents, interested stakeholders and Ofsted are fully aware of how this additional resource has been used to make a difference.
 - Encourage take up of FSM by working proactively with our parents and carers in a sensitive and supportive manner and to remove any potential barriers or stigma attached to claiming FSM. In doing so, we also recognise the vital role that parents and carers play in the lives of their children.
 - Be mindful of the fact that eligibility and take up of FSM does not equate with pupils being considered to be of 'low ability' because of their social circumstances.
 - Ensure there is robust monitoring and evaluation in place to account for the use of the Pupil Premium, by the school and governing body.
 - Recognise the fact that FSM pupils are not a homogeneous group and cover a wide range of needs. As such the strategies we use to raise attainment will take these group and individual needs fully into account.
 - Use high quality teaching and learning as the preferred way to narrow the gaps in attainment in the first instance. We will also use high quality interventions with proven evidence of impact to assist our pupils who need additional support in a time limited way.

MONITORING AND REVIEWING THE POLICY:

Our work in relation to the Pupil Premium will be reviewed on a termly basis to ensure it is having the intended impact in narrowing the gaps. This will allow us to make adjustments if particular strategies are not working well, rather than leaving things to the end of the year.

Our Pupil Premium Policy will be reviewed on an annual basis and adjustments will be made to it according to the impact the school is having in narrowing the gaps. It will also take into consideration the increased funding that becomes available under the Pupil Premium Grant.

We recognise the importance of context and will evaluate new strategies as robustly as possible to ensure that the approaches we are using have the desired effect. In order to do this effectively, we will where relevant, undertake on-going evaluations of the strategies we are using, such as that outlined in The DIY Evaluation Guide provided by the Education Endowment Foundation.²

Our annual review will involve staff, pupils, governors and parents and carers.

DISSEMINATING THE POLICY:

This Pupil Premium policy along with the details of actions will be published:

- on our website in line the DfE's requirements on what maintained schools must publish online. (with paper copies available on request in the school office). Our pupil premium strategy is available here: www.rgreeninf.brent.sch.uk
- in the staff handbook and as part of induction for new staff
- included in the termly newsletters for parents and carers

We will also use other methods and occasions such as parents' evenings, workshops and assemblies, as appropriate to share information about the Pupil Premium
