PROUD TO BE, PROUD TO BELONG

Dear Parents,

Over the last 2 weeks, as part of the topic of 'ourselves' we have been drawing pictures of our families. Thank you to all of the parents who have sent in/emailed me a family photo. The photos have helped the children talk about who is in their family. We have also created a lovely display of family photos in our classroom that the children look at every day. If you haven't emailed a photo of your family, you still have time to do so.

My email address is: mvasu@rgreeninf.brent.sch.uk

Our School Rules

Below are our school rules, which the children have been learning and putting into practice. Please go over them with your child at home.

1. We listen to and follow instructions.
2. We care and we share.
3. We are honest.
4. We keep our hands and our feet to ourselves.
5. We help each other to learn and enjoy.

Reminder

All parents should have received a notification on School Ping and a letter regarding applying for a Reception place. **Please ensure that you apply as soon as possible.**

Carrier bags

Please bring in any spare carrier bags that you may have at home.

Full-Time Parents

If your child needs to use the toilet before their Nursery session (between 8.30am - 9.00am) or after you have collected them (between 3.00pm – 3.30pm) you are welcome to use the facilities in the Part Time Nursery.

Next week in the Nursery, we will be learning:

Personal, Social and Emotional Development:

- To work together and consider other people's feelings.

Communication & Language:

- To understand a question or an instruction.
- To say 'Good morning/afternoon' at 'Hello time'.

Literacy:

- To recognise our names.
- We will be listening to the story of 'Ram and Sita'.

Mathematics:

- To count from 1 to at least 10. At home, you can help your child develop their counting skills by counting everyday objects. For example, how many spoons/forks/plates you have in your kitchen.

Physical Development:

- To hold a pencil with a comfortable grip when writing. At home, please encourage your child to make marks on paper and show them how to hold a pencil correctly.
- To be increasingly independent in meeting their own care needs. For example, washing and drying their hands thoroughly.

Understanding the World/ Expressive Arts & Design:

- To learn about the season of autumn. We will be looking at the leaves, conkers and pine cones that the children have collected on our nature table. We will also be making leaf prints and leaf rubbings to add to our autumn display.

- **Please bring in leaves – we need lots more!**

Reminders:

Please make sure that you **write your child's name** on all of their clothes and belongings. Many of the children in the Nursery are wearing identical coats and hats!

The children **should not** be coming into the Nursery wearing shoes with shoelaces on them. They are a trip hazard, and your child could seriously injure themselves.
