YEAR 1:

In Geography, we are learning about our local area. To move our learning further Year 1 went to Wembley Stadium which is our local landmark. Did you know that Wembley Stadium is the biggest stadium in the UK and it can accommodate 90000 spectators! The Year 1 team would like to take this opportunity to say a HUGE THANK YOU to all the parents who offered to help on the trips! Without your valuable support this would not have been possible.

Here is a fun maths activity which we have learnt in class. Click on the link below.
