**PROUD TO BE, PROUD TO BELONG**

## Platinum Jubilee Celebrations

As part of our celebrations of the Platinum Jubilee, it was lovely to see the staff and children coming to school today dressed in red, white and blue. We continued our celebrations with a 'street party' in the playground for Reception and Year 1, and a picnic on the field for Year 2. We were lucky to have beautiful sunny weather and everyone had a lovely time. It was an afternoon to remember!

## This week

This week our Attendance Award goes to **Fox Class** with **99%** attendance - well done!

This week in Reception they have been busy learning to count, order and recognise numbers to 20, as well as making those numbers using Numicon and tens frames. They have been talking about and sharing with each other what they did in the half term break. They then ended the week with our Jubilee party where they had some yummy treats and played fun games.

These are some of the portraits of the queen made by the children in Reception.

In Year 1, they had an interesting time programming the Bee-bots to follow instructions. There are many games on Busy Things if children would like to explore this more at home. They had a fun-filled Platinum Jubilee party in our playground to celebrate Queen Elizabeth being on the throne for 70 years!

Well done to all the Year 1 children for giving their best to complete the National Phonics checks.

This week in Year 2, they have had a wonderful time sharing their experiences of the Jubilee! They have started a new book about 'One Tiny Turtle' and the children have been learning about the turtle's life cycle and thinking of enquiry type questions about turtles. They have also enjoyed using Beebots to learn about direction and position.

## Parent Information

Children should **not** be coming in to school wearing **hoop earrings** as they can be caught in clothing and equipment and cause injury to your child. **Small stud earrings are allowed.** If your child has hoop earrings please take the opportunity to swap them for studs.

**The last school day of our Summer Term is Thursday 21st July 2022.** We expect all children to attend right up until this day.

**The first school day of the Autumn Term is Monday 5th September 2022.** We expect all children to attend on this day and every day throughout the school year.
