HOW TO HELP YOUR CHILD WITH READING:

- Listening to your child read can take many forms.
- First and foremost, focus on developing an enjoyment and love of reading.
- Enjoy stories together - reading stories to your child at KS1 and KS2 is equally as important as listening to your child read.
- Talk about the story before, during and afterwards - discuss the plot, the characters, their feelings and actions, how it makes you feel, predict what will happen and encourage your child to have their own opinions.
- Look up definitions of words together and use a thesaurus.
- All reading is valuable - it doesn't have to be just stories. Reading can involve anything from fiction and non-fiction, poetry, newspapers, magazines, football programmes, TV guides etc.
- Visit the local library - it's free!

HOW TO HELP YOUR CHILD WITH WRITING:

- Practise and learn weekly spelling lists - make it fun!
- Encourage opportunities for writing such as letters to family or friends, shopping lists, notes or reminders, stories or poems.
- Write together - be a good role model for writing.
- Allow your child to use a computer for word processing, which will allow for editing and correcting of errors without lots of crossing out.
- Remember that good readers become good writers! Identify good writing features when reading (e.g. vocabulary, sentence structure, punctuation).
- Show your appreciation: praise and encourage, even for small successes!
