You are super stars!

Reception:

For foundation footsteps this week, the children were learning about the Chinese New Year story and how the Jade emperor chose the animals. The children made Lanterns and a concertina Dragon.

YEAR 1:

In English they have had fun creating their own WANTED posters for the wicked witch!

They now know how halving is done through Maths.

YEAR 2:

The children have been discovering how animals are adapted to different habitats and we would like to extend this learning by asking children to complete the bird spotting survey in their homework.
