**PROUD TO BE, PROUD TO BELONG**

## This week

**Fox class** have **100%** attendance this is a brilliant achievement. Well done!

Paddington bear will go to **Fox class**. Keep up the good work **Fox class**!  
You are super stars!

### Reception:

Reception this week have started reading a new book called “**Naughty Bus.**”  
They have written about the adventures the bus goes on at night time.  
In maths they are making number stories for subtraction.

### YEAR 1:

In English, the children have had an exciting week learning about superheroes! They have been drawing their own special superhero thinking about their costume, superpowers and weaknesses. They have started to make an amazing poster all about their superhero.

They have read a book in class 'How to be a Superhero' which gave the children some inspiration. You can access it with the link below-

In Humanities, the children have been identifying Victorian objects like a chamber pot. They are very excited to explore more about the Victorian times during our trip next week to **Chiltern Open Air Museum.**

Please go onto **Active Learn** to read and practise all the sounds for the upcoming phonic checks.

### YEAR 2:

It has been a very busy time, this week Year 2 have been writing about different aspects of an island life such as wildlife, landscapes, types of food and national dishes.

In maths they have been learning how to find fractions of numbers and solving problems using fractions.

**Polite reminder:**

**At the end of the day when you pick up your child from school it has been noticed by members of staff that parents and carers are on their mobile phones, your child needs your undivided attention, as they may be buzzing to tell you about their day.**

**You will see posters up on classroom doors, Greet your child with a smile, not a mobile. Please adhere to this.**

### **School Website**

**Please visit the school website and open pages on how to keep your child's digital footprint safe online at [www.rgreeninf.brent.sch.uk](http://www.rgreeninf.brent.sch.uk). Visit parent info, NSPCC and Child net.**

### **For Parents - What is Undress AI?**

**It's a sad world where some individuals develop tech to make money yet give no thought to what this tech can be used for. Enter undress AI, which is exactly what it says - upload an image of a clothed person, let the AI undress them. It isn't a specific app, there are many freely available apps and websites which allow the removal of clothing. It doesn't take a rocket scientist to understand what these tools are being used for.**

**You can find out more [HERE](#).**

### **Gentle reminder:**

We are constantly clearing up fox droppings and feral and rodents have been seen in the school grounds, please help us by putting rubbish in the bin and not allowing your child to throw rubbish on the floor. This in itself is an important lesson for children to learn about keeping their environment clean and rubbish free.

**Thank you for making your children walk alongside their scooters and bicycles in the playground. This has certainly made a positive and safer impact in the playgrounds.**

### **Air Quality Workshop in School**

Alice, from Smarter travel was in this week to speak to all the children across the school about our air quality except the nursery. The children were given leaflets to take home, which I hope you have taken time to read.

**That's all from me for this week.  
Have a safe and relaxing weekend!**

This will be a weekly  
newsletter, sent to you via SchoolPing and it will also  
be on the school website -
