Dear Parents and Carers,

In light of the pending heatwave, the Infant school and the Junior school will be closing at 12.30pm on Monday and Tuesday to enable the children to have lunch before they go. School will start at 8.30am.

Please send your child/children to school in light clothing and make sure that he or she has a water bottle.

However, if you prefer, it will be acceptable to keep your children at home for health and safety reasons. If you do decide to keep your children at home, please make sure that you notify the school.

As a country we shall have to be prepared for changes in weather conditions in the future and make contingency plans in the light of climate change.

Thank you all for your understanding

Nicole Lobo
Head teacher
