PROUD TO BE, PROUD TO BELONG

This week

Fox class have **100%** attendance this is a brilliant achievement. Well done!

Paddington bear will stay in Fox class. Keep up the good work Fox class!
You are super stars!

Reception

We finished reading our focus book, 'Aaaaarrgghh. Spider!' and wrote some character thought bubbles. In maths we have been using a range of resources and learning how to double numbers and record them in our books. We have also been busy using lots of arts and crafts to create and make different minibeasts and remember facts about them.

YEAR 1:

In Maths we have looked at 3D shapes and their properties. Click on the link below to learn more about the shapes!

We have started a new topic in humanities called Homes in the past. We looked at different types of homes. Click on the link below to look at different types of homes.

YEAR 2:

This week all year two classes have been busy planting seeds and vegetables in the planters in the playground and in growing bags. In addition to this they will be learning to look after the plants by watering them on a regular basis and not touching the plants, while at play.

Please ensure you send your child to school with a water bottle and a sun hat, also please apply sun screen cream as the sun can be quite hot and can easily burn their skin.
