# Section 1 – Apply

## Apply

### To start Reception class in September 2024

If your child was born between 1 September 2019 and 31 August 2020, you need to apply for them to start primary or infant school in September 2024.

### To transfer to junior school in September 2024

If your child is in Year 2 at an Infant school and born between 1 September 2016 and 31 August 2017, you need to apply for them to transfer to junior school in September 2024.

Children attending the infant schools below have priority for a place at the linked junior school, but applications must be made before 15 January 2024.

Infant School	Linked Junior School
Carlton Vale Infant School	The Kilburn Park School Foundation
Convent of Jesus and Mary RC Infant School	St Mary Magdalen's RC Junior School
Malorees Infant School	Malorees Junior School
Mount Stewart Infant School	Mount Stewart Junior School
Our Lady of Grace RC Infant School	Our Lady of Grace RC Junior School
Roe Green Infant School	Roe Green Junior School
St Joseph's RC Infant School	St Joseph's RC Junior School

### In-Year Admissions

If your child does not currently have a school place or you wish to transfer them to a different school, you will need to make an 'In-Year' application.

Please visit [www.brent.gov.uk/inyearadmissions](http://www.brent.gov.uk/inyearadmissions) for more information.

### Important dates

15 January 2024	Applications deadline
16 April 2024	National offer day
29 April 2024	Response deadline
29 April 2024	Deadline for applications and changes for the second round
Week ending 10 May 2024	Second round offers
17 May 2024	Second round response deadline
17 May 2024	Deadline for applications and changes for the third round
Week ending 14 June 2024	Third round offers
21 June 2024	Third round response deadline
September 2024	Children start school

### Before you make your application

<b>1</b>	<b>Are your preferences realistic?</b>  Consider how likely it is that your child will be offered a place at your preferred schools.	Read the admissions criteria for each school and look to see which criteria apply to your child.  The admissions criteria for Brent community schools are listed on page 21. For all other schools the admission criteria are included from page 29 onwards.
<b>2</b>	<b>Do you live close enough to get a place?</b>  Find your home to school distance then compare with cut-off distances from last year.	You can find out the distance of your preferred schools using the Direct Gov schools finder at <a href="http://www.gov.uk/school-performance-tables">www.gov.uk/school-performance-tables</a>  The distance from home to school of the last child offered a place at Brent community schools from last year is on page 16.  Remember that although this information can be used to give you an idea of how likely it is that you will be offered a place, the 'last distance' will change every year. We can never guarantee any child will be offered a place at any school.

Before you make your application	
3	<b>Visit schools</b> Contact the schools you are interested in to arrange a visit.
4	<b>Read Ofsted reports</b> You can view reports at <a href="http://www.ofsted.gov.uk">www.ofsted.gov.uk</a>

Before you make your application	
5	<b>How will your child travel to school?</b> A long journey to school on public transport may not be the best choice for your child.
6	<b>Talk to your child and other parents</b> Remember that the right school for your friend's child may not be the right school for your child. Don't judge a school based on what others say – visit the school and see for yourself.

## Myth busters – get the facts!

It is easy to make assumptions about how school admissions works. Here are some of the common myths and misunderstandings as well as the facts.

Myth	The facts
My child has a right to a place at one of my preferred schools.	The Local Authority must offer your child a place at the highest preference school you listed on your application that they qualify for. If your child does not qualify for any of your preferred schools (e.g. because your preferences were unrealistic), they will normally be allocated a place at the nearest school to your home with a vacancy.
My child is in the nursery so they will automatically go into Reception.	Everyone must apply for their child even if they already attend the nursery. A place in the nursery class does not guarantee an offer of a place in the Reception class.
Listing one school will mean that you will have to offer me that school.	Listing only one school does not increase your child's chances of being offered a place. If your child does not qualify for that school, then they will normally be allocated a place at the nearest school to your home with a vacancy.
Listing the same school six times will improve my chances of being offered a place.	Your child can only be considered once for a school and any duplicated preferences will be deleted.
I live nearer to the school than the last child offered under the distance criterion last year so I'm guaranteed a place.	Although the information listed on page 16 can give you an idea of how likely it is that you will be offered a place at your preferred school, the 'last distance' will change every year. We cannot guarantee any child will be offered a place at any school.
Children in my road go to the school so my child will too.	The number of pupils offered under each criterion at each school can change every year, so just because you know pupils living near you that go to a certain school, it does not mean that your child will be offered a place there.
If I apply to a school in another borough, their residents will have priority over me.	An admissions authority cannot give preference to its own residents and published admissions criteria cannot include the borough of residence. Brent does not discriminate between applicants who live in the borough and those who do not.
It does not matter if my form is late.	If you apply after 15 January 2024, we will look at your application after all those that applied on time have been offered a place and it is very unlikely that you will be offered one of your preferred schools.
I can only apply for Brent schools.	You can apply for both Brent and out of borough schools by listing them on the Brent application form.

# Apply for your child's school place online

[eadmissions.org.uk](http://eadmissions.org.uk)

## Applying online for a school place is quick and easy. Follow the steps below and you are ready to start your child's online application.

- Each screen will explain what you need to do; there are guidance notes on the left hand side of the screen to help you.
- You can select any text that is underlined (usually a question/section of the form that needs to be completed) this will open in a new window with an explanation of what is required.

### Step 1: Getting started

- Before you start your online application, you will need to do some research.
- See the local authority's website for details about how applications are processed.
- Visit schools.
- Check schools websites.
- Read the admissions criteria for the schools you are interested in.
- Check how places were offered in previous years.
- You should check transport policies for local authorities (outside London).

### Step 2: What to do if this is the first time you are applying online using eAdmissions

- If you have used the eAdmissions system before to apply for a school place for any of your children you do not need to register again. Instead please go to Step 3.
- If this is the first time you are using the eAdmissions website you must register to apply online.
- You will need an email address to register.
- If you already have an email address you should

set your spam/junk mail filter to 'Standard' so that emails from eAdmissions go straight to your inbox. You should check your spam/junk email folder now and then to make sure that messages from the eAdmissions website are not sent there by mistake.

- You can also sign up to get notifications during the admissions process either by text message or by downloading the 'Parent Comms' mobile App.
- It is important that you register well before the deadline, in case there are any problems making your application. The closing date is: 15 January for Reception and Junior applications.
- Register yourself on the eAdmissions website.
- You will then be asked to create your own password.
- We will send you an email with your username and instructions on how to validate your email address.
- The email will also contain a link which will take you to the eAdmissions login page to start your application.
- Please keep your username and password safe as you will need them to login and apply for any other children you have, and to see the outcome of your application.

### Step 3: What to do if you have applied before using eAdmissions or you have just registered and received your user name

- On the home page select 'Return to an existing account' and enter your username and password.
- If you have forgotten your username or password we can re-send them to you when you select the 'Forgotten your user name or password?' link.
- We will send you an email to the email address you used when you first registered (please check your spam/junk folder as it may have gone there).

- Once you login the page with your personal details is displayed. **You must check if any of your details have changed and update them straight away.** If your details are correct tick the mandatory box to confirm that your details are correct.
- You will need to read and agree the Privacy Policy by ticking the box.
- Then select the 'Save and continue' button to move on to the application process.

#### Step 4: Adding your child's details

- The next page is your home page called 'My school Admissions'. If you can see your child's name on your 'My school admissions' page, select the 'Start new application' button below the child's name. This button will only be available for children whose date of birth falls within a relevant age range. Check existing details and select the 'Next' button.
- If your child's name is not listed, select the 'Start a new application for a child that is not listed below' button. Enter the details requested about the child you are making the application for on the 'Child details' page and select the 'Next' button.

#### Please remember

- Council tax account number: Brent Council ask you to provide this information for the address where your child lives.
- Child's current school: Please select the school from the drop down list. Only type the name of the school in the box if your child is at a nursery school or you cannot see the current school name listed.
- Twins or triplets: If you have twins or triplets you must make an application for each child and tick the multiple birth box.

#### Step 5: Adding school preferences

- Add your preferences in the order you prefer them. You can select up to six schools.
- Make sure you include the details of any brothers or sisters who will be attending one of the schools or linked schools you have applied for. If you do not tell us, you may lose out on the sibling criterion.
- Please be aware that not all schools have a medical or social criteria, please check before selecting your schools.

- If the schools you have selected allow medical or social criteria and you would like your child to be considered under this criteria you must tick the relevant box and attach supporting evidence. You can attach documents once you have submitted your application. **If you do not provide the evidence to support your application, your request cannot be considered under that criterion.**
- Some schools ask you to fill in extra forms called supplementary information forms (SIF). If you do not fill in these forms and/or send them direct to the relevant school, you risk your chance of getting a place at these schools.
- It is your responsibility to check that your online application is fully completed and that you have entered all details correctly. If you do not tick certain boxes or enter relevant information (for example the sibling box) your application will not be considered under that criterion.
- Each time you fill in the information on a page, make sure that you select 'Next' button or the information will not be registered.

#### Step 6: Submitting your application

- You can make changes to your online application up until the closing date. Each time you make a change you must resubmit your application.
- Select the 'Submit application' button on the last page.
- After you have submitted your application you will receive an email confirming details of your online application. The email will list an application reference number similar to this: 304-2024-09-E-654321.
- If you do not receive a number it means your application was not submitted successfully and you must login and select the 'Submit application' button again.
- If you have made changes to your details or your child's details, you will have to resubmit your application. Check the 'My school admissions' page and select 'Resubmit application' for your most recent changes to be recorded.

## Step 7: Attaching documents

Many local authorities need you to send them information to support your application. You can find out what each local authority needs by reading their information booklet about applying for school places. Select 'Local Authority details' button on the left hand side bar. Documents you may need to attach:

- Confirmation of your child's address and their date of birth.
- Information to support your application such as doctors letters if you have applied under the medical criterion.
- Information to confirm your child was looked after or previously looked after.
- Information to confirm that you are a member of the UK Services or a crown servant (see page 13).

## Important information

If you have ticked any of the categories above and do not provide evidence to show this, the local authority is unlikely to take account of this when making allocations.

## What happens next?

- If you submitted your application by the closing date, you will be sent the outcome of your application during the evening of the published national offer day.
- You should respond within 14 days. To accept or decline your offer you should log back in to your eAdmissions account and select the 'View outcome of application and respond' button.

## Receipt details

Keep a record of your application reference number as you may need to refer to this at a later date.

## Your child's address

- The address used must be the child's permanent home address on 15 January 2024.
- Do not list an address of a relative or someone who provides temporary care for your child, a business address, a childminder's address or any address other than the child's permanent home address.

### Proof of address

- We do not require proof of address to be sent in with your application.
- Please supply your council tax reference number on the application (e.g. from your bill). If you don't pay council tax directly please leave this question blank.
- Brent Council will check internal council databases in order to verify your address.
- Where it is not possible to verify your address or you have recently moved we will write to you asking for two proofs of address.

### Children living at two addresses

- An application can only be processed from one address.
- The application should include the address the child normally lives at for the majority of the school week.
- If a child resides equally between two addresses, it is the parents' responsibility to agree between themselves which address will be used. One application should be submitted using the address agreed by both parents.

### Change of address

- We can only accept changes of address after you have moved. We will not process your application from an intended future address.
- If you move address prior to the closing date (15 January 2024), you should update your address online and resubmit your application. If the closing date has passed, you must tell the council straight away by emailing [school.admissions@brent.gov.uk](mailto:school.admissions@brent.gov.uk)
- You must supply evidence of your change of address.
- Evidence must be received on or before Thursday 9 February 2024 in order for your new address to be used when processing your application and calculating home to school distances.

- If we receive evidence of your change of address after this date, we will not be able to update your home to school distances until after national offer day.

### Fraudulent applications

- Brent Council takes any attempt to obtain a school place through fraudulent means very seriously.
- We will verify addresses to ensure that places are allocated appropriately and fairly.
- Any address proof or supporting documentation which is false or deliberately misleading may lead to offers being withdrawn.
- Stringent checks will be carried out to ensure applications are not fraudulent.
- Home visits may be carried out to verify addresses.

### Children with special needs

- If your child has an Education, Health and Care Plan (EHCP), please do not complete an application.
- You should contact Brent Special Educational Needs Assessment Service (SENAS) on 020 8937 3229 or [sen.assessments@brent.gov.uk](mailto:sen.assessments@brent.gov.uk) who will manage your child's transition to primary or junior school.

### Exceptional social/medical circumstances

- Some schools give higher priority to children with social or medical needs, even if they do not have an EHCP.
- If you state a preference for a particular school because of the medical or social needs of your child, you must demonstrate how only this school meets your child's special circumstances.
- To be considered on this basis you must submit independent, professional evidence which sets out the particular reasons why the school is the most suitable and the difficulties that could be caused if your child has to attend another school.
- For community schools (see page 20) your evidence must be submitted directly to Brent School Admissions and attached to your online application. For all other schools, evidence can be sent directly to the school.

- Evidence must be submitted by 15 January 2024 (the closing date for on time applications). Evidence submitted after this date may not be considered until the second or subsequent round of offers.
- See individual schools' over-subscription criteria for further information (pages 30 to 61).

### Looked after and previously looked after children

- If you are completing the application for a looked after child or a child who was previously looked after (including adopted from state care outside England), please indicate this on the application.
- Previously looked after children are children who were looked after but ceased to be so because they were adopted or became subject to a child arrangements or special guardianship order, or who were adopted from state care abroad.
- Applicants must name the council that looks after the child.
- Provide a letter from the social worker confirming that the child is in care.
- If the child was adopted immediately after being in care, please provide a copy of the child arrangements order, special guardianship order or proof of adoption from your child's home authority.

### Supplementary Information Forms (SIFs)

- Some schools require an additional or Supplementary Information Form (SIF) to be completed in addition to the normal application. The online application system will tell you if any of the schools you listed require a SIF.
- Completed SIFs must be submitted directly to the school by the closing date, 15 January 2024.
- SIFs can be obtained directly from schools or downloaded from the school or Brent Council's website.
- Failure to complete a SIF may result in your application to that particular school being given a lower priority.

### Twins and multiple births

- Parents with multiple birth children must complete a separate application form for each child.
- Most schools have admission arrangements that ensure multiple birth children will be offered places together, even if this means the school will admit more than their published admission number.

- The full admission arrangements for each school are available on the school or Brent Council's website.

### Late applications

- Applications received after 15 January 2024 will be considered as late.
- If there are exceptional circumstances why your application was received after the deadline, please provide independent written evidence by Thursday 9 February 2024 (from someone who is impartial) explaining why the application was late.
- The evidence you provide will be considered by Brent school admissions who will decide if your application will be processed as late or on time.
- Late applications will only be considered after all the other applications that were received on time have been offered a place. Late applicants may be less likely to be offered one of their preference schools, especially if the school is normally oversubscribed.

### Deferred Entry

- Parents can request that the date their child is admitted to school is deferred until later in the year in which they apply or until the term in which the child reaches statutory school age. Statutory school age begins the first day of term after your child's fifth birthday.
- Parents wishing to defer entry must contact the school to advise them of this after a place has been offered.
- Parents can also request that their child attends part-time until their child reaches statutory school age.

## Applications for children outside the normal age group (Summer Born Children)

- Parents/carers considering making an application for their child to be educated in a different year group should read the DfE document 'Summer Born Children, Starting School: Advice for parents'.
- If parents/carers believe their child should be educated in a different year group they should submit an application for the 'normal' reception round for their child, and provide supporting evidence from relevant professionals working with the child and family stating why it is in the child's best interest to be placed outside their normal age appropriate cohort. DfE guidance makes clear that "it is reasonable for admission authorities to expect parents to provide them with information in support of their request – since without it they are unlikely to be able to make a decision on the basis of the circumstances of the case".
- For community schools, the council as the admission authority will decide whether the application will be accepted on the basis of the information submitted. Decisions will be based on the individual circumstances of each case including the view of parents, the relevant head teacher(s), the child's social, academic and emotional development and whether the child has been previously educated out of year group.
- There is no guarantee that an application will be accepted on this basis. If the application is not accepted this does not constitute a refusal of a place and the place offered will stand. There is no right to an independent statutory appeal for deferred entry or for a place in a specific year group at a school. The internal management and organisation of a school, including the placement of pupils in classes, is a matter for the head teacher and senior leadership of individual schools.
- The Governing Board of schools responsible for their own admissions (academies, voluntary aided, foundation and free schools) are ultimately responsible for making this decision for applications made to their school.
- Admission authorities will not hold a place for any individual child where delayed admission is accepted. The application for the normal year group will be closed and the parent will be required to reapply in the usual way the following year, along with the cohort of applicants for that year group. The application will not receive priority above any other applicant for that year group for the schools being applied for. Similarly no admissions authority will give a lower priority for admission on the basis that the child is not of the correct age.

## Changing preferences

- If you wish to change your preferences before the closing date (15 January 2024), you should login to the online application system, edit and resubmit your application.
- If you wish to change your preferences after 15 January 2024 use the online form at [www.brent.gov.uk/changeapplicationdetails](http://www.brent.gov.uk/changeapplicationdetails) Changes of preference will not be accepted over the telephone.
- Regardless of the circumstances, changes requested after the closing date can only be included for the second and subsequent rounds of offers after national offer day, on 16 April 2024 (see page 15).

## In-Year Admissions

An in-year application is any application for a school place made outside the normal admissions rounds.

The normal admissions rounds are for entry into school in September; whereas, the in-year applications are for parents who either wish for their child to change schools, or who have moved to the area and need their child to start a new school during the academic year.

Parents wishing to apply for an in-year transfer to a Brent school can apply by completing the in-year application form available at [www.brent.gov.uk/admissions](http://www.brent.gov.uk/admissions), which also has full details about the application process. Some schools accept their own applications directly and information about where to submit your application is provided in the guidance notes available online or on request.

Brent residents wishing to apply for an in-year transfer to a school that is not in the borough need to apply to the relevant local authority or school directly. We would suggest that parents contact the local authority first to find out about the individual admission arrangements in their area.

Where a school is full, its published admission criteria will be used to decide the order in which applicants will be added to the waiting list (if applicable). Where a school has vacancies, a place will be offered for the child.

## In-year fair access protocol

The School Admissions Code requires that all local authorities must have an in-year fair access (IYFA) protocol. This is to ensure that children without a school place – especially the most vulnerable – are offered a place at a suitable school as quickly as possible. The operation of the Brent IYFA protocol is triggered when a parent of an eligible child has not secured a place under in-year admission arrangements.

## Children of UK Service Personnel

For families of UK service personnel with a confirmed posting to the area (or crown servants returning from overseas) admissions can be allocated in advance of arriving in Brent.

This is to ensure that children of UK service personnel are not disadvantaged when applying for schools as a result of their mobility. These rules were introduced as a contribution to the Government's commitment to the Military Covenant; however, they do not give automatic priority to service children over other children.

If you are moving to the borough of Brent as a result of a posting, please complete a common application form by the closing date, using your posting address. The application must be accompanied by an official letter that declares a relocation date, a unit postal address or quartering area address.

Your application will be processed using your posting address and in accordance with each individual school's criteria.

# Section 2 – Offers

## How we process your application

Brent school admissions work closely with schools and other local authorities so that every child is offered a place at the highest preference school for which they qualify. The process involves the following stages:

### 1. Exchange information

Applications are processed and addresses checked, and applicant's details are sent to schools. The schools do not know the order of your preferences.

#### Additional information

- For the community schools listed on page 20, supporting documentation should be submitted to Brent school admissions via the online application system. Supporting documentation for all other schools should be submitted directly to the school.
- Some schools require applicants to return a SIF (Supplementary Information Form) directly to the school. Check your preferred schools, pages 30 to 61. The online application system will tell you if any of the schools you listed require a SIF.

### 2. Rank applications

Schools rank applications according to their published over-subscription criteria to determine which children have priority for places. Brent Council ranks applicants for community schools. For all other schools the Governing Board decides whether your child qualifies for a place, not the Council.

#### Which criteria relates to your child?

Check the over-subscription criteria for your preferred schools, pages 21 and 30 to 61.

### 3. Offer places

Every school has a maximum number of children that can be admitted. The ranked lists for each school are used to determine the highest preference each child can be offered. Where an applicant qualifies for more than one school, the order of preferences determines which school is offered.

#### What if the offer isn't any of my preferred schools?

The Council will offer every Brent child a place. When applicants do not qualify for a place at any of their preferred schools, a place is offered at the nearest school to your home with an available place.

## Offers

- National offer day is Tuesday 16 April 2024.
- Offer emails are sent in the evening of 17 April 2024.
- The online application system is updated with offers and applicants can respond from the evening of 16 April 2024.
- Offer letters are only posted to applicants who were unable to use the online system. Letters are posted on national offer day. If you have not received notification of your offer by Thursday 18 April 2024, contact Brent school admissions.
- Online applicants are **not** sent an offer letter.

### Responding to offers (accepting/rejecting)

- Please respond to your offer by 29 April 2024.
- Online applicants must respond to the offer online by logging into the online application system ([www.eadmissions.org.uk](http://www.eadmissions.org.uk)) using their email address or username and their password.
- We strongly advise applicants to accept the place offered. Accepting the offer secures the school for your child, so you have a back-up, in case you are unsuccessful in securing a higher preference in the second or third rounds or if you appeal and your appeal is not upheld.
- Accepting the place does not affect your waiting list position or appeals.
- If you do not accept the offer, the place may be withdrawn and offered to another applicant, and subsequent offers may be further away from your home.

### Further Offers

- After national offer day Brent school admissions continue to process applications and make offers on behalf of schools until the end of August. Schools do not offer places directly.
- Two additional rounds of offers will be sent out according to the timetable on page 15.

- Offer notifications will only be sent in the second or third rounds to late applicants who have not already received an offer and other applicants where we were able to offer a higher preference.

Late application process	Second Round	Third Round
<b>Deadline</b> Last date for changes to be included in the round (e.g. changed address/preferences)	29 April 2024	17 May 2024
<b>Offer</b> Offers will be sent by first class post to successful applicants only	Week ending 10 May 2024	Week ending 14 June 2024
<b>Response</b> Successful applicants must respond by this date	17 May 2024	21 June 2024

## Waiting lists

- If we cannot offer your first preference on national offer day, then your child will be automatically added to the waiting list for each school you ranked as a higher preference than the school offered.
- Any vacancies available in the second and third round will be offered to applicants on a waiting list.
- Priority on the waiting list is determined by the over-subscription criteria for each school. There is no guarantee that a place will be offered for your child off the waiting list.
- When an applicant on a waiting list is offered a place, any previous offer will be automatically withdrawn. You will not be given a choice between your current offer and the new offer. If you are happy with your current offer then you must advise Brent school admissions to remove your child from waiting lists.
- Your child's position on a waiting list can go up as well as down when other applicants are offered a place or join the list.
- Waiting lists are not operated on a first come, first served basis. The length of time your child is on a waiting list will not give them priority over other applicants.
- **Please note:** Waiting lists for Brent schools will be maintained until at least the end of December 2024. Some schools may have different arrangements for maintaining waiting lists after this period. To ensure that your child remains on the waiting list and in consideration after the end of the year you must make a separate 2024/25 In-Year application online. In-Year applications for 2024/25 will open on Monday 1 July 2024, visit [www.brent.gov.uk/inyearadmissions](http://www.brent.gov.uk/inyearadmissions). The local authority will not contact you again to remind you to reapply.

## Appeals

- If your child is not offered a place at one of the schools you listed on your form, you can appeal against this decision to an independent appeal panel.
- Appeals are heard by an independent appeal panel of three members of the public who are independent of the school and the local authority.
- If you wish to appeal for a Brent community school, you must read the guidance and complete the appeal form available online at [www.brent.gov.uk/schoolappeals](http://www.brent.gov.uk/schoolappeals)
- Appeals for Brent community schools (see page 20) should be returned to School Admissions, Brent Civic Centre, Engineers Way, Wembley, HA9 0FJ.
- Appeals for all other Brent schools and schools outside Brent must be made to the school or admitting authority directly.
- Your offer letter will give information about how to appeal.
- The deadline for submitting an appeal is set by the admission authority for each school and must be at least 20 school days after national offer day.
- Appeals must be heard within 40 school days of the deadline for lodging appeals.

# Community Schools in Brent

- Brent Council decide the admission criteria that are used to determine who has priority for places at the schools listed below.
- Detailed information about each school listed below is available on pages 22 to 28.
- The oversubscription criteria are used to determine the order in which offers are made and will be used if more applications are received for any school than there are places available.
- Children with an Education, Health and Care Plan which names a specific school will be admitted to that school. The oversubscription criteria are then applied to all other children.
- If a school receives fewer applications than places available, all children will be offered, where the school is the highest available preference.
- All community schools in Brent are co-educational and welcome applications from boys and girls.

## School with split sites

### Leopold Primary School

Leopold Primary School admits 120 pupils into Reception each year.

**The school is split over two sites** and admits 60 children to Reception at each site. The first site is Leopold Hawkshead on Hawkshead Road, Willesden, NW10 9UR and the second site is Leopold Gwenneth Rickus, 242-250 Brentfield Road, Neasden, NW10 8HE.

Applicants interested in the school should indicate which site they would like their child to attend by including the relevant preference on their application. Applicants may choose to apply for both school sites, however this would effectively limit their maximum number of preferences to five. If applicants would like to apply for the maximum number of individual schools, then they should only indicate one or other site on their Common Application Form. Reception offers at Leopold Primary School will indicate clearly which site the child must attend.

## Over-subscription criteria for community schools in Brent for September 2024

When there are more applications for Brent community schools than there are places available, pupils are offered places according to the oversubscription criteria listed below.

Children with special educational needs and disabilities (SEND) who have an Education, Health and Care Plan (EHCP) have priority over other applicants for admission to the school named on their plan.

The oversubscription criteria for entry to Brent community schools in 2024/25 are:

### 1. Looked after or previously looked after children

A looked after child or a previously looked after child, including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.

### 2. Linked infant school

Children attending an infant school on the same site as a junior school.

This criterion relates to the medical and/or social needs of the child or family members with caring or parental responsibility. The application must be supported by written evidence (see below) that sets out the particular reasons why the school in question is the most suitable and the difficulties that would be caused if the child had to attend another school.

### 3. Medical or Social needs

Exceptional circumstances to do with significant medical needs and or social needs which necessitate a child's placement at one particular school.

### 4. Children of staff

Children whose parent is a member of staff who has been employed at the school for two or more years at the time of application or has been recruited to fill a vacancy for which there is a demonstrable skill shortage.

### 5. Siblings in catchment area

Brothers or sisters of a child who attends the school, or an infant or junior school on the same or adjoining site, and who will continue to do so on the date of admission.

### 6. All other applicants

### Tie breaker

Within each criterion priority will be given to applicants living nearest to the school.

The distance from home to school will be measured by straight-line, from a point in the property to a point in the school determined by the grid references set by the Ordnance Survey.

The measuring system is an integral part of the admission software, uses Ordnance Survey maps and the LLPG (Local Land Property Gazetteer) and is accurate to 1 metre.

The information above is a summary of the admissions criteria for Brent community schools. For the full criteria and admission arrangements please check the school's website or go to <https://www.brent.gov.uk/education-schools-and-learning/school-admissions/admissions-criteria-for-schools-in-brent>. The criteria will apply after children with an Education, Health and Care plan which names the school have been admitted.

# Academies, Foundation and Voluntary Aided primary schools in Brent

- The admission criteria that are used to determine who has priority for places at the schools listed below are decided by the Governing Board or academy trust of each school.
- The oversubscription criteria are used to determine the order in which offers are made and will be used if more applications are received for any school than there are places available.
- Children with an Education, Health and Care Plan which names a specific school will be admitted to that school. The oversubscription criteria are then applied to all other children.
- If a school receives fewer applications than places available, all children will be offered, where the school is the highest available preference.
- A summary of admission arrangements and detailed information for each school is available on pages 30 to 61. The full admission policies can be accessed online at [www.brent.gov.uk/admissionarrangements](http://www.brent.gov.uk/admissionarrangements).
- All schools operate a tie break to distinguish between students in the same criteria with equal priority. Please check each school's full admission arrangements for details.

## Admissions Criteria

1. 'Looked After Children' and children who have previously been a 'Looked After Child' but immediately following this became subject to adoption, a child arrangements order or special guardianship order, including those who appear (to Ark Schools) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Children of staff at the school who occupy, or have been recruited to, a post where there is a demonstrable skill shortage. Ark Schools must approve the Principal's assessment process and designation of such posts to confirm the staff members' eligibility under this criterion. Priority will be limited to one place for each form of entry in any year (e.g. 3 places in each 3-form year group).

3. Children who, at the time of admission, have a sibling\* who attends the school in Reception to Year 13.  
*\*For this purpose, "sibling" means a whole, half or step-sibling or an adopted child resident at the same address.*
4. Children of staff in the school who have been employed at the school for two or more years at the time the application is submitted. Ark Schools must approve the Principal's decision to allocate places to staff under this criterion. Priority will be limited to one place for each form of entry in any year (e.g. 3 places in each 3-form year group).
5. Distance measurement – Priority will be given to those children who live closest to the school. The Local Authority measures distance on behalf of Ark Schools. London Borough of Brent use Ordinance Survey Data and the LLPG (Local Land Property Gazetteer) to calculate straight line distance between the child's home and the school.

PLEASE NOTE: A child's home will be the address at which the child normally resides and which has been notified to relevant agencies (e.g. the Local Authority) as being the child's normal place of residence. Where a child lives normally during the school week with more than one parent at different addresses, the permanent home address for the purposes of school admissions will be the one where the child spends the majority of school nights Monday–Friday.

**Tie breaker:** If Ark Schools is unable to distinguish between applicants using the published oversubscription criteria, places will be offered via a random draw which will be supervised by someone independent of the school.

Avigdor Hirsch Torah Temimah Primary School is an Orthodox Jewish boys' school.

## Admissions Criteria

The overriding consideration is commitment to the practice of Orthodox Judaism (Faith), as determined from time to time by the Rabbinat of the Union of Orthodox Hebrew Congregations (the Rabbinat), referred to in this document as "the commitment to the Faith". The School gives priority up to the Published Admissions Number (PAN) to all applicants who have the commitment to the Faith.

The commitment to the Faith will be determined by a parent of the applicant verifying both that:

a) the family of the applicant and (if different) the home in which the applicant spends most of his time abides by the standards of tzenius (modesty in dress, speech and behaviour) and all aspects of religious observance

at home specified by the code of Jewish law, published under the title, Shulchan Aruch; and

b) the applicant (meaning the child for whom the application is being made) does not have access to the internet or television.

Where applications for admissions exceed the number of places available the following criteria are applied, in the order set out below, to decide which children to admit:

1. Looked after children and previously looked after children as defined by the Code of Practice on School Admissions (2014) edition who have the commitment to the Faith.
2. Children who have a sibling (including a half or step brother) who have the commitment to the Faith residing in the same household as the applicant at the School at the date of admission.
3. In respect of other children by a lottery (Lottery) to be conducted by a solicitor or chartered accountant of at least ten years' standing who is independent of the School and appointed for this purpose by the Rabbinat. The lottery will be applied to the following categories in the following descending order:
  - 3.1 Other children who have the commitment to the Faith
  - 3.2 Other looked after children and previously looked after children as defined by the Code of Practice on School Admissions (2014)
  - 3.3 All other applicants.

Within each criterion, the Lottery will be used if needed as the tie breaker.

The information above is a summary of the admissions criteria for this school. For the full criteria and admission arrangements please check the school's website or go to [www.brent.gov.uk/admissionarrangements](http://www.brent.gov.uk/admissionarrangements). The criteria will apply after children with an Education, Health and Care plan which names the school have been admitted. All schools operate a tie breaker in the event that two or more children have equal priority under the criteria.

## Admissions Criteria

1. Looked after children (children in public care) and children who were looked after or ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

An application for admission to school must provide evidence of being in public care or previously in care prior to adoption. Usually this will be evidenced by the child's social worker.

2. Children for whom it is essential to be admitted to Sudbury Primary School because of special circumstances to do with significant medical needs, social needs or special educational needs.
3. Siblings of a child who already attends Sudbury Primary School and who will continue to do so on the date of admission.

Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.

4. Children of staff.

To qualify for this criterion the member of staff concerned must have been employed by the Academy Trust at Sudbury Primary School or the Chrysalis Multi Academy Trust for at least two years at the date of application, or have been recruited to be a post where there is a demonstrable skills shortage.

5. Children living in the school's catchment area.

A map showing the roads in the Sudbury Primary School catchment area is available on request from the school.

6. Children living outside the school's catchment area.

## Applicants with special educational needs and disabilities (SEND)

Brent Council's policy is that children with SEND or Education, Health and Care plans (EHCP) should attend their local primary school wherever possible. A small number of children who have an EHCP and the most complex needs attend a special school or special provision attached to a mainstream school. The Special Educational Needs Assessment Service (SENAS) will discuss this with parents of children with EHCPs and provide information regarding the most appropriate placements for individual children.

### Admission arrangements for children without an EHCP

Children who have SEND but do not have an EHCP will transfer to primary school through the coordinated admission procedures. The Code of Practice on School Admissions states: 'Children with SEND but without an Education, Health and Care plans must be treated as fairly as other applicants. Admission authorities may not refuse to admit a pupil because they consider themselves unable to cater for his or her SEND'. Admission authorities must consider applications from children who have SEND but no EHCP, on the basis of the school's published admissions criteria. All mainstream schools receive funding to provide extra help for children with SEND.

### Admission arrangements for children who are undergoing statutory assessment

It is vital that you apply for a place in the usual way through completing the normal Common Application Form (CAF).

If parents are not happy with the school the Council proposes to name in Section I of the EHC Plan they should discuss this, in the first instance, with the Special Educational Needs Assessment Service (SENAS) on 020 8937 3229.

Children with SEND, with or without EHC Plans, are entitled to the services of Brent SEND Information Advice and Support Services. For further information you can contact the Brent SEND Information Advice and Support Services on 020 8937 3434.

## Admission arrangements for children with Education Health and Care Plans (EHC Plans)

The main admission criteria and application processes do not apply to children who have an EHC Plan. The Local Authority will apply for places on behalf of all such children. Parents are welcome to visit schools. You should contact schools directly to arrange this. Where parents want to express a preference for a maintained mainstream school, the council must in accordance with Section 33 of the Children and Families Act 2014, name the parent's preferred choice of school unless:

a) The school or other institution requested is unsuitable for the age, ability, aptitude or special educational needs of the child or young person concerned, or

b) The attendance of the child or young person at the requested school or other institution would be incompatible with the provision of efficient education for other pupils or the efficient use of resources..

If you have made a request for your child to receive an Education, Health and Care assessment, but they do not yet have a final EHC Plan you should still apply via the main admissions process.

The SEN Team will only make applications for children who have a finalised EHC Plan.

## Special schools and specialist units/centres in Brent with primary provision

## **Home to school travel**

In London, travel is free on buses for children up to 18 years of age. Where it is possible for a child to travel to school free of charge the council would expect that option to be taken. However, where a journey is considered too long (more than 45 minutes for children in Key Stage 1 and 75 minutes for children in Key Stage 2) or too complicated (more than two changes) to be undertaken by bus, the council will provide assistance with tube or train fares for low income families in the circumstances as follows:

- For children of primary age, transport will only be provided to the nearest suitable school, but for those from low income families aged 8-11, local authorities must ensure that free transport is provided for children living more than two miles from the school.
- For children of secondary age, local authorities must ensure that those from low income families have free transport to any one of the three nearest suitable schools where the distance travelled is between two and six miles. Local authorities must also ensure that transport is provided to the nearest school preferred on the grounds of religion or belief where this is between two and 15 miles away.

Low income families are those whose children are entitled to free school meals or who are in receipt of their maximum level of Working Tax Credit. The council will consider all applications submitted. Application forms are available from Brent School Admissions, Brent Civic Centre, Engineers Way, Wembley HA9 0FJ or by telephone 020 8937 3110.

## Free school meals

If your child attends a Brent school and you are in receipt of one of the following benefits, you are eligible to apply for free school meals for your children:

- Universal Credit (provided you have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods)
- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on – paid for four weeks after you stop qualifying for Working Tax Credit
- Throughout the 2023/24 academic year, all primary school children will be entitled to free school meals through the government's Universal Infant Free School Meals Scheme and the Mayor of London's Universal Free School Meal Scheme. Parents who may be eligible based on the criteria above should still apply for Free School Meals. Eligible children will receive free school meals at least until the end of Year 6, will be able to access Holiday Voucher and Holiday Activity schemes, and will allow their schools to claim additional Pupil Premium funding.

## Fostering

## Private fostering

- If a child or young person under the age of 16 (or 18 if they have a disability) is living for more than 28 days with someone other than a close family member\*, this is known as a private fostering arrangement. (\*A close family member is a grandparent, aunt or uncle, sibling or step-parent either by blood or marriage).
- There is a duty on parents and carers entering into private fostering arrangements to notify the council. This is in order to safeguard and protect the child's welfare as well as ensuring that the child, carer and parent are receiving appropriate support and help.
- If you know or are not sure if a child is being cared for in a private fostering arrangement, please call the Brent Fostering Team on 020 8937 4538 or visit [www.brent.gov.uk/privatefostering](http://www.brent.gov.uk/privatefostering) to make a referral.

## Data Protection

Information parents provide when applying for a school place will be used for registered purposes under the Data Protection Act 2018 and the General Data Protection Regulation and will be entered on a secure computerised database. The information is protected by the Data Protection Act 2018 and the General Data Protection Regulation, which ensures the information can only be used for defined purposes and can only be passed to specific people.

### The defined purposes are:

- Administering the admissions process as set out in this booklet, relevant to your application.
- Preventing fraud or criminal offence or to ensure the safety of any child.
- To ensure the council fulfils its statutory obligation to provide every child within the area with a suitable school place.

### The people who may receive the information are:

- The current school (if any).
- The school to which the pupil is to be admitted.
- Other admission authorities so as to ensure that parents have provided consistent information and do not hold on to more than one offer of a place.
- Any organisation legitimately investigating allegations of fraud, criminal offences or child protection.
