## Welcome to the 7<sup>th</sup> Edition of our Newsletter

It has been a very busy 5 weeks of term for Reception and K.S 1.

### Reception:

This month they have been busy learning about “Minibeasts.”

They have read the stories “Yucky worms and Aaaargh Spider.” The children made salt dough worms and have been creating their own minibeasts scenes.

Each class also created their own minibeasts poem and recited it to the rest of the children in the year group.

We had a Zoo lab workshop where the children were able to learn facts about a range of creatures and they had a go at stroking and holding them.

In Maths they have been learning about number bonds to 9, finding doubles of numbers. Also learning to halve and share amounts.

A very big well done to **Green Parrots** for their class assembly. It was an exceptional assembly where the children recited 3 poems about Minibeasts, shared some very interesting facts and did a Minibeast quiz.

## YEAR ONE:

They have had an eventful term since Easter!

The children had a fantastic time in Science learning about fish and observing some of them in great detail. Did you know that fish breathe under water through their gills?

Just last week they took part in two exciting events; one of them was the 'Brushathon' and the other one is The Great Space Walk which is a TFL initiative.

They have earned lots of stickers for walking to school keeping our bodies and minds healthy.

As part of history they have been exploring homes in the past, especially the Victorian period. They were horrified to learn that there was no electricity and no indoor plumbing!

They also enjoyed spotting features of some typical Victorian rooms.

The classes had received an email from Bob, the man on the moon, to help him spot aliens. The children have published a very informative booklet to help him spot them hiding amongst us.

Now they will end this term with a fantastic poetry performance based on a poem riddle composed by each class.

A class learning all about Brushathon.

How to Spot an Alien Leaflets by Year One

## Contents

\* How to Spot an Alien page 1

\* Fascinating Facts page 2

## How to Spot an Alien

\* Look for green, sticky  
swarm.

\* Look for chunky, black  
chimney on the ground.

\* If you see Wigs a sign  
is close by.

\* Look for aliens in bushes  
and trees.

\* It is easy to find aliens  
in wigs so they can  
look like humans.

## Fascinating Facts

\* Aliens grow more legs  
as they get older.

\* Aliens are very clever  
and they can even play  
chess.

\* They stay awake only 36  
hours.

\* Aliens like to wear very  
high shoes.

\* Sadly, aliens have a healthy  
body and mind.

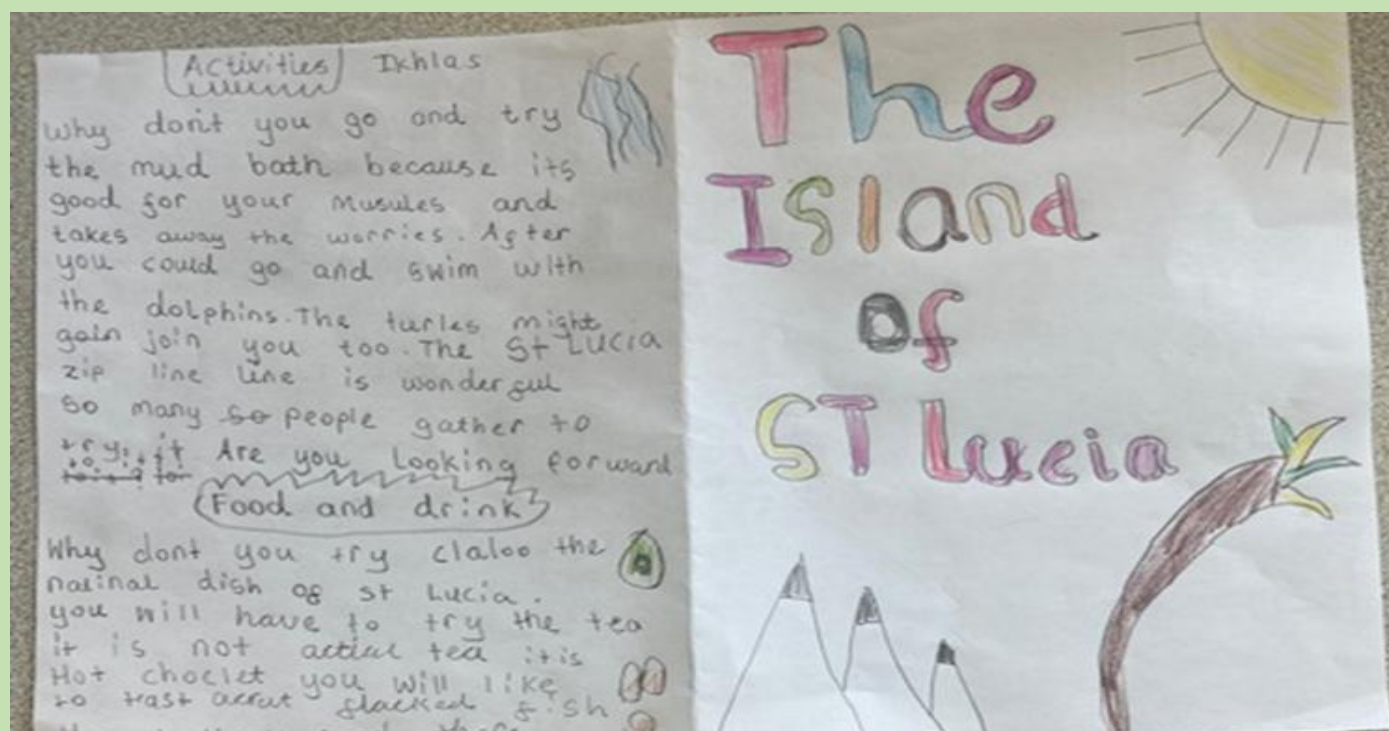

Fabulous  
leaflet! Ha M. 18/8

## Year Two:

This month Year 2 have been reading the "TWITS" by Roald Dahl. They have been thoroughly enjoying the book. This week they wrote about how Mrs Twit got her revenge on Mr Twit for trying to send her to the moon.

In Humanities they have been learning about the exotic island of St Lucia. The children have been especially interested in learning about the Island's climate and its tourist attractions.

Following on from this the children have written brochures in which they have promoted travel to the amazing, tropical Island of St Lucia.

(Activities)  
 Why not try the waterfall it is so  
 fun. You can stand on the  
 beautiful golden sand. You can try  
 whatever you want in St Lucia. You  
 can go with a guide in the rainforest.  
 You can go on a mule train or a  
 walk. You might see some animals.

Food and Drink  
 In St Lucia you can try lots of  
 different types of food. The national  
 dish is a soup made of callaloo.  
 National dish is like a soup made  
 of callaloo and it is very good.  
 Book a holiday if you need a  
 perfect one.

All about St Lucia  
 Did you ever imagine going  
 on a hot and relaxing  
 holiday? If so then St Lucia  
 is the place for you.  
 If you like soft and  
 beautiful skin you can  
 visit the mud bath.

Sight to See  
 Come and visit the magnificent  
 rainforest with so many lush  
 plants! I bet you will enjoy!  
 Secondly you might want to  
 go and find the St Lucia  
 Parrot. It could be hiding  
 in between the trees. After  
 if you are feeling energetic  
 you can climb climb climb  
 the Gros Pitons, or if you  
 are lazy you can go on  
 a helicopter you can  
 see the amazing view.

## Walk to School week Pictures

Our Full time Nursery drew their route to school and what they see on their way.

## The Active Learn Reading Champions for April 2025

**April 2025**

For the last month, the following children have read the most number of books on ActiveLearn, our online reading platform. We would like to congratulate our reading champions for their hard work. They have been awarded a reading book for their commitment and perseverance.

Class	Name
Green Parrots	Ema Necula
Blue Jays	Yaqub Fazal
Yellow Canaries	Elisa Buftea
Red Robins	Sharth Patel
Eagles	Gabriel Pahomi
Owls	Keyan Varsani
Stags	Neha Patel
Rabbits	Sergiu Cuciorva
Foxes	Anastasia Popa
Squirrels	Mishka Kanani
Badgers	Matei Gutu & Yanis Lavric
Hedgehogs	Jiaan Raval

Well done to everyone reading on ActiveLearn regularly.  
Keep up the good work.

#### **Creative crafty fun workshop Harlesden Library:**

Friday 30 May 11.30am – 1.00pm

Arts and craft activities for children aged 10+, but younger children are welcome with parental supervision. Delivered by Barnardos, in partnership with the Co-op.

#### **Ealing Road Library:**

Friday 30 May 2.30 – 4.00pm

Arts and craft activities for children aged 10+, but younger children are welcome with parental supervision. Delivered by Barnardos, in partnership with the Co-op.

## **School Newsletter from Brent Libraries**

### **Date 22 May 2025**

#### **Kumon Maths and English workshops**

##### **Ealing Road Library**

Tuesday 27 May 11am – 12noon

Open to all primary school aged children aged 3 yrs - 11yrs

Booking: [wembleycentral@kumoncentre.co.uk](mailto:wembleycentral@kumoncentre.co.uk)

##### **Ealing Road Library:**

##### **Words Have Frogs:**

Wednesday 28 May, 11.30am – 2pm For  
children aged 8 – 11.

Advanced booking required at <https://tinyurl.com/jjhjrrzs>

Join Brilliantly funny Poet Paul Lyalls - to celebrate all things nature. Learn poetry skills, get creative and make friends!

##### **Ealing Road Library STEM Club**

##### **Wednesdays**

28 May 4 – 5.30pm

25 June 4 – 5.30pm

30 July 4 – 5.30pm

Science, Technology, engineering and mathematics workshops for children aged 8-11.

Advanced booking required at <https://tinyurl.com/jjhjrrzs>

##### **Ealing Road Film Club** [Paddington](#)

in Peru:

Thursday 29 May, 2.30 – 4.30pm

Animated film screening for ages 5 – 11 Free

##### **Family craft: Dance clothes in Brent**

Wembley Library: Thursday 29 May, 2.30-4.30pm

Age range: 3+ Drop in

Learn about some of the clothes worn for dancing in Brent and make your own beautiful collage to take home. Age range: 3+ Drop in

## Reminder:

### We return to school on Tuesday 3<sup>rd</sup> June 2025.

Have a safe, restful Whitsun half term break with lots of sunshine and warmth.

Please ensure that you hold on to your child's hand at the end of the school day and teach them to find a teacher if they are lost in the school playground.

The members of the senior leadership team are at the exits and entry points daily.

Thank you for taking part in **Walk to School week**.

#### Top Tips for Parents & Educators: Safety on the Road

##### THINK!

##### UK government's designated road safety campaign

##### Parent Guide

This free guide shares essential advice for keeping children safe around roads, highlighting practical steps like staying visible, reducing distractions and recognising hidden dangers.

##### Description

Staying safe on our roads isn't just a skill — it's a lifelong habit. It is crucial to learn key strategies for helping children navigate streets safely and confidently, from practising journeys together to teaching them how to choose the safest crossing points.

We've collaborated with THINK! to offer real-world advice on issues like the dangers of parked vehicles, reversing cars and mobile phone distractions — it's an invaluable

tool for parents and educators who want to help young people travel independently without compromising their safety.

THINK!

THINK! is the UK government's designated road safety campaign, officially established in 2000. It was created to continue and build upon more than 75 years of government-led road safety initiatives, which had previously been managed by the Central Office of Information (COI).

Since its inception, THINK! has become internationally recognised for its iconic and ground-breaking campaigns, challenging dangerous behaviours on Britain's roads. Over the years, its focus has evolved from promoting seat belt use to tackling issues such as excessive speed, drink and drug driving, and the use of mobile phones at the wheel. In the decade following the creation of THINK!, road deaths in the UK fell by 46%.

Find out more at <https://www.think.gov.uk/education-resources>

Have a safe and happy holiday!

Marina Aziz (Assistant head teacher), Roe Green Infant School
